

Continuing Education Information

Florida Department of Environmental Protection has reviewed the 2024 WWETT Show agenda. Dependent on the classes the attendee chooses, Florida DEP is offering the following approvals for Florida septic tank contractors:

- Up to 16 hours* depending on classes attended

*Depending on the scheduling of the specific classes the attendee chooses, the hours awarded can be as many as **six (6) on Wednesday, four (4) on Thursday, and six (6) on Friday**. Additionally, attendees can receive credit for no more than one (1) hour of business practice or office management for every two (2) hours of approved technical classes.

CE Hours Process:

- WWETT will submit your attendance to Florida Department of Environmental Protection if you do the following:
 - **Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.**
 - Include your Florida license number when you register for the show in the Continuing Education section.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion to keep on file for your own records.
