

Continuing Education Information

Kentucky Department for Public Health has approved ALL EDUCATION SESSIONS AND TECHNICAL TOURS for certified septic system installer CEUs on an hour-by-hour basis.

In addition, the following classes have been approved as indicated below (*please see important stipulation):

Wednesday, January 24

CONSP - Confined Space Entry Training – 4.0 hours

Thursday, January 25

WKSH1 - Digital Marketing Workshop – 3.0 hours

Friday, January 26

SC102 - Basic Collection System Maintenance Procedures – 6.0 hours

NOWRA - Subsurface Drip: Installation, Operation and Maintenance – 6.0 hours

*In reference to the Confined Space Entry Training and NOWRA Subsurface Drip course, each has been **Approved** for Certified Septic System Installers for CEUs with a stipulation. Attendance at any of the courses **does not replace** the required application and testing process for certification in Kentucky. Each attendee (that chooses to become certified to install systems in Kentucky) of CONSP, NOWRA, and/or other additional training course options must still make application and pass the Onsite Sewage Disposal Systems Test which is given through their local county health department in Kentucky or the Frankfort, Kentucky office.

CEU Process:

- WWETT will submit your attendance to Kentucky Department for Public Health if you:
 - **Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.**
 - Include your certification number when you register for the show on the Continuing Education page.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion. Attendee will keep certificates on file for your records.
