

## Continuing Education Information

Missouri Department of Health Onsite Wastewater Treatment Program will allow Continuing Education Units (CEUs) for the 2024 WWETT Show for the sessions listed on the schedule on the attached pages. Please note: registration specific (select) units are credited by session for certain professionals.

### CEU Process:

- ***Attendee must be registered for each session they want credit for and be scanned at the door to receive credit/certificates of completion.***
- WWETT will send your attendance records to Missouri Department of Health if you:
  - Register and scan at the door
  - Complete the Continuing Education information asked during registration.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
- Attendee will download or print earned certificates and keep on file for your own records.

# Missouri Onsite Wastewater Professionals Continuing Education Units (CEUs) 2024 Water & Wastewater Equipment, Treatment & Transport Show

January 24-26, 2024

Indianapolis, Indiana

Missouri Department of Health and Senior Services, Onsite Wastewater Treatment Program will allow CEU credit for the following breakout sessions. Please note, registration specific (select) units are credited by session for certain professionals. **Professionals will not receive credit for sessions previously attended.**

+ No credit will be allowed if a course is not completed.
