

## Continuing Education Information

Ohio Environmental Protection Agency has granted approval for contact hours for water and/or wastewater professionals. **Please see all approvals on the following page.**

### **Contact Hours Process:**

- The WWETT Show will enter the hours you earned per class to Ohio EPA.
  - ***Note: We can only report your sessions if you include your Ohio EPA ID in the continuing education demographics section when you register for the WWETT Show. You must also preselect the classes you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.***
- An email notification will be sent approximately six weeks post show with instructions to download the certificates of completion you earned at WWETT. Download them and keep on file for your records.
