

Continuing Education Information

California Water Environment Association (CWEA) will allow on-demand/distance training for the WWETT 2021 Continuing Education On-Demand sessions. It is up to the certification holder to attend courses/trainings that are related to your vocation. You will submit your certificates of completion to CWEA when your recertification is due. At that time CWEA will review/approve them.

Vocation Approval Status:

Collection System Maintenance	Environmental Compliance Inspector
Laboratory Analyst	Industrial WWTP Operator
Plant Maintenance	Electrical/Instrumentation
Mechanical Technology	Biosolids Land Application

Contact Hour Process:

- Register for the WWETT online education package.
- Watch as many recordings/sessions as you want. They are available from August 17 through October 31.
- At the end of each session there will be a quiz. You must pass the quiz to receive a certificate of completion.
- Certificate of completion will be available immediately upon passing the quiz. **Please download and/or print your certificate. This is an online platform that will not store your certificates after October 31. The WWETT Show will not have access to your certificates.**
- CWEA certificate holders will report their own contact hours at the time of recertification.
