TCH Process:

- Register for the WWETT online education package.
- Watch as many recordings/sessions as you want. They are available from August 17 through October 31.
- At the end of each session there will be a quiz. You must pass the quiz to receive a certificate of completion.
- Certificate of completion will be available immediately upon passing the quiz. **Please download and/or print your certificate. This is an online platform that will not store your certificates after October 31. The WWETT Show will not have access to your certificates.**
- Operators will report their own training credit hours. Operators should record the course ID number and course name exactly as identified above. This information is necessary when the logging your training hours into the web tracking database.
- If you have any questions, please contact the Illinois EPA Training Coordinator at 217-785-0561.
