

Continuing Education Information

New Hampshire DES (NHDES) Subsurface Systems Bureau has approved on-demand credit for the following sessions offered on the [WWETT 2021 Continuing Education On-Demand sessions](#):

TUE_MO03	Wastewater Disinfection During COVID	1.0 credit
TUE_MO07	Access Riser and Lid Safety: Standards and Practice	1.0 credit
TUE_MO11	Biological Treatment: Overview, Design and Maintenance	1.0 credit
TUE_MO23	Winning the Fight Against FOG	1.0 credit
TUE_MO27	High Strength Wastewater	1.0 credit
THU_WE10	OSHA Electrical Safety	1.0 credit
THU_WE14	Wastewater Operator Pathogen Safety & Health	1.0 credit

Continuing Education Credit Process:

- Register for the WWETT online education package. Indicate you are accredited through NHDES in the continuing education portion of the registration and include your license number.
- Watch as many recordings/sessions as you want. They are available from August 17 through October 31.
- At the end of each session there will be a quiz. You must pass the quiz to receive a certificate of completion.
- Certificate of completion will be available immediately upon passing the quiz. **Please download and/or print your certificate. This is an online platform that will not store your certificates after October 31. The WWETT Show will not have access to your certificates.**
- The WWETT Show will send NHDES the records of sessions you watched and passed the quiz.
