

Continuing Education Information

Tennessee Department of Environmental and Conservation Water and Wastewater Certification Board will allow on-demand/distance training for the WWETT 2021 Continuing Education On-Demand sessions toward WW or CS classifications. It is up to the attendee to determine which sessions are most appropriate for their educational needs.

Attendees should submit their certificates of completion to the TN DEC and include your certification number, what certificate you want the credit applied towards and the Activity Number: 21203. Please hand-write this information on the certificates submitted.

IMPORTANT NOTE: The on-demand sessions will run from August 17-October 31. TN DEC will allow any sessions taken on or before September 30 to count towards 2021. Anything taken after September 30 will count towards 2022 credits.

CEU Process:

- Register for the WWETT online education package.
- Watch as many recordings/sessions as you want. They are available from August 17 through October 31.
- At the end of each session there will be a quiz. You must pass the quiz to receive a certificate of completion.
- Certificate of completion will be available immediately upon passing the quiz. **Please download and/or print your certificate. This is an online platform that will not store your certificates after October 31. The WWETT Show will not have access to your certificates.**
- Attendee will download or print earned certificates and send them to TN DEC.
