

## Continuing Education Information

Wyoming Department of Environmental Quality approved on-demand/distance training for the WWETT 2021 Continuing Education On-Demand sessions. Attached are a list of those approved as Core courses and those considered for Rules. Operators who wish to receive credit should follow the process below.

### CEU Process:

- Register for the WWETT online education package. Indicate you are accredited through Florida in the continuing education portion of the registration and include your license number.
- Watch as many recordings/sessions as you want. They are available from August 17 through October 31.
- At the end of each session there will be a quiz. You must pass the quiz to receive a certificate of completion.
- Certificate of completion will be available immediately upon passing the quiz. **Please download and/or print your certificate. This is an online platform that will not store your certificates after October 31. The WWETT Show will not have access to your certificates.**
- Attendee will report earned certificates to Wyoming DEQ.
