

Continuing Education Information

Alberta Environment and Parks (Water and Wastewater Operator Certification branch) has approved education sessions attended at the 2021 WWETT Show.

Course Title: WWETT Show 2021

Date: June 29-July 1, 2021

Location: Indianapolis, IN

CEU Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
- Attendee will download or print earned certificates and submit them to Alberta Environment and Parks to receive credit.
