Continuing Education Process:

- WWETT will send your attendance to Kentucky Department for Environmental Protection if you do the following:
 - **Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.**
 - Include your operator's certification number when you register for the show on the Continuing Education page.
 - Sign in on a Continuing Education Activity Report provided by Kentucky DEP. The report will be available on the door monitor's table outside each session. You only need to sign this form once – not for every session attended.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion for your records.
