Contact Hours Process:

- The WWETT Show will provide Ohio EPA a spreadsheet containing attendance to the sessions.
 - **Note: We can only report your sessions if you include your Ohio EPA ID in the continuing education demographics section when you register for the WWETT Show. You must also preselect the classes you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.**
- An email notification will be sent approximately six weeks post show with instructions to download the certificates of completion you earned at WWETT. Download them and keep on file for your records.
