

Continuing Education Information

South Dakota Department of Environment and Natural Resources will grant contact hours for all classroom sessions and certification classes. Hours will not be granted for tours or vendor displays.

Contact Hour Process:

- Attendee is responsible for submitting certificates of completion as proof of attendance.
 - **Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.**
 - WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
 - Attendee will download or print earned certificates and submit them to South Dakota Department of Environment and Natural Resources.
