

Continuing Education Information

National Environment Health Association (NEHA) has approved up to 21.0 contact hours of continuing education credit for:

Course Title: 2022 WWETT Show

Date: February 21-24, 2022

Location: Indianapolis, IN

Continuing Education Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- Attendee should pick up a NEHA Continuing Education Attendance Form tracking sheet at the room monitor's desk at the entrance of one of your sessions. Only one form is necessary. – not one for every session.
- WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
- Attendee will download or print earned certificates. The number of earned hours for each individual session is on the certificate. Calculate the total number of hours you earned. This is the number of CE hours you should report to NEHA.
- Attendee will submit earned CE hours to NEHA online using the CE Online Submission process at <http://www.neha.org/CEweb/CE.asp>. *Note: 2022 WWETT Show is the course title.*
- If you have any questions you can contact NEHA at 303-756-9090, ext. 339.
