

Continuing Education Information

Georgia Department of Health has approved Septic Tank Contractor Continuing Education Credits for the **sessions listed on the attached sheet.**

Continuing Education Credit Process:

- WWETT will send your attendance records to Georgia Department of Health if you do the following:
 - **Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance.**
 - Include your certification number when you register for the show on the Continuing Education page.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion for your records.
