

## Continuing Education Information

Illinois Department of Health Private Sewage Contractor License Holders can earn credit at the 2023 WWETT Show for any of the IDPH APPROVED sessions as indicated on the following page.

### CEC Process:

- WWETT will submit your attendance to Illinois Department of Health if you do the following:
  - *Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.*
  - Include your Technician ID number when you register for the show in the Continuing Education section.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
- Attendee will download or print earned certificates and keep on file for your own records.

| Date      | Code | Session Title  | Installer | Pumper | Portable Sanitation Tech |
|-----------|------|--|-----------|--------|--------------------------|
| 2/20/2023 | MO01 | Update on NASSCO Codes for PACP Version 8                          |           |        |                          |
| 2/20/2023 | MO02 | Septic Sleuth – Evaluating Those Rarities Found During Inspections | X         | X      |                          |
| 2/20/2023 | MO03 | Incorporating Pumps and Controls Into Design                       | X         |        |                          |
| 2/20/2023 | MO04 | Top 10 Technology Driven Productivity Tools                        |           |        |                          |
| 2/20/2023 | MO05 | Introduction to Submersible Wastewater Pumps                       | X         | X      |                          |
| 2/20/2023 | MO06 | Water and Wastewater Operators Are Making a Difference             |           |        |                          |
| 2/20/2023 | MO07 | Take the Fear Out of Team Building                                 |           |        |                          |
| 2/20/2023 | MO08 | How to Succeed in the Wastewater Business                          |           |        |                          |
| 2/20/2023 | MO09 | NASSCO's Jetter Cleaning Education Program                         | X         | X      |                          |
| 2/20/2023 | MO10 | Hydraulic Load Testing – Why, When & How                           | X         |        |                          |
| 2/20/2023 | MO11 | Safety Concerns During the Installation of Onsite Sewer            | X         | X      | X                        |
| 2/20/2023 | MO12 | Portable Sanitation: Preparing for Extremes                        |           |        | X                        |
| 2/20/2023 | MO13 | Trenchless Pipeline Rehabilitation                                 |           |        |                          |
| 2/20/2023 | MO14 | Pump Sizing 101 and Best Practices                                 | X         |        |                          |
| 2/20/2023 | MO15 | Commercial On-site & Decentralized Wastewater Treatment            | X         | X      |                          |
| 2/20/2023 | MO16 | Why You're Losing Your Best People - How to Avoid It               |           |        |                          |
| 2/20/2023 | MO17 | Cleaning and Assessment of Large Diameter Gravity Pipes            |           |        |                          |
| 2/20/2023 | MO18 | Important Points for Inspecting Drip Irrigation                    | X         | X      |                          |
| 2/20/2023 | MO19 | Benefits of Decentralized Wastewater Treatment                     | X         | X      |                          |
| 2/20/2023 | MO20 | Portable Sanitation and Special Events                             |           |        | X                        |
| 2/20/2023 | MO21 | Analyzing CCTV Inspections of Rigid and Flexible Pipes             | X         |        |                          |
| 2/20/2023 | MO22 | Onsite Electronics Troubleshooting and Best Practices              | X         |        |                          |
| 2/20/2023 | MO23 | The Risk Management Approach Used for On-site Wastewater           | X         |        |                          |
| 2/20/2023 | MO24 | The Employment Audit: Ensuring Your Organization is Compliant      |           |        |                          |
| 2/20/2023 | MO25 | Health and Safety for Cleaning an Inspection                       | X         | X      | X                        |
| 2/20/2023 | MO26 | Inspecting Advanced Technologies/Things to Know For                | X         | X      |                          |
| 2/20/2023 | MO27 | Mound Design   | X         |        |                          |
| 2/20/2023 | MO28 | The Answer to Sustainable, Effective Wastewater Treatment          | X         |        |                          |
| 2/20/2023 | MO29 | Wastewater Level Controls and Remote Monitoring                    | X         |        |                          |
| 2/20/2023 | MO30 | Industrial Treatment Systems - Case Studies Using CCTV             | X         |        |                          |
| 2/20/2023 | MO31 | Stop the Blame Game! Creating Real Accountability                  |           |        |                          |
