

Continuing Education Information

Nebraska Department of Environmental and Energy – In accordance with Nebraska Administrative Code Title 124 Rules and Regulations for the Design, Operation and Maintenance of Onsite Wastewater Treatment Systems, Chapter 20, 009, has approved all the sessions indicated on the attached document at the 2023 WWETT Show up to a total of 18 PDHs.

Sessions in Business Strategy and Leadership and What's Trending/New Technology are approved, but per regulations only two hours in each two-year cycle may be from a course peripheral to the activity of onsite wastewater, such as business tax, accounting, insurance or first aid.

PDH Process:

- WWETT will submit your attendance to Nebraska DEQ if you do the following:
 - **Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.**
 - Include your NDEQ certification number when you register for the show in the Continuing Education section.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
- Attendee will download or print earned certificates and keep on file for your own records.
