

## Continuing Education Information

Ohio Department of Health has approved up to 18.5 hours of continuing education (CE) for sewage treatment system contractors, including installers, septage haulers and service providers. Each session included in the education tracks offered on Wednesday, Thursday and Friday (including technical tours and workshops) is approved to the nearest one-half contact hour. Additional stand-alone courses have been approved as listed below.

### Session approvals as follows:

- Wednesday, February 20– up to 6 hours
- Thursday, February 21 – up to 7.5 hours (including workshops)
- Friday, February 22 – up to 5 hours (including technical tours)

### Stand-alone course approvals:

- Friday, Feb. 22 – NAWT O&M Professional System Technician Training – 7.5 hours
- Friday, Feb. 22 – PSAI Service Training for Portable Sanitation Professionals & Certification Exam – 6.0 hours

### CE Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- The WWETT Show will send your attendance to Ohio Department of Health as a courtesy.
- Conference attendees from Ohio may apply credits for each session/course attended to the 2020 registration year to meet the requirement set forth in Ohio Administrative Code 3701-29-03 (C)(5). It is the responsibility of the sewage treatment system contractor to maintain records of CE hours earned and provide proof to each board of health at the time of registration.
  - An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
  - Attendee will download or print earned certificates to use as proof of CE hours.
