

Continuing Education Information

Alberta Environment and Parks (Water and Wastewater Operator Certification branch) has approved CEUs “as awarded” for education sessions attended at the 2018 WWETT Show, excluding technical tours.

Course Title: WWETT Show 2018

Date: February 21-23, 2018

Location: Indianapolis, IN

CEU Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
- Attendee will download or print earned certificates and submit them to Alberta Environment and Parks to receive credit.
