

Continuing Education Information

Maine DEP opted to approve the 2018 WWETT Show education sessions after Maine Operators submit requests for Training Credit Hours (TCH).

TCH Process:

- Attendee is responsible for submitting certificates of completion as proof of attendance.
 - WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
 - Attendee will download or print earned certificates and submit them to Maine DEP.
 - Maine DEP requests you send a brief description of the session(s) for which you are requesting TCH along with your certificates.
- *Note: Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.*
