

Continuing Education Information

West Virginia Office of Environmental Health Services will grant CEHs for the 2018 WWETT Show for up to 24 hours for both Water and Wastewater operators as follows:

- CEH2017-324/ WW2017-300

CEH Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- Attendee is responsible for submitting certificates of completion as proof of attendance.
 - WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
 - Attendee will download or print earned certificates and submit them with renewal application.
