NAWT One-Day Inspector Certification Course	Course ID 10952	Approved TCH 7.50

TCH Process:

- Operators will report their own training credit hours. Operators should record the course ID number and course name exactly as identified above. This information is necessary when the logging your training hours into the web tracking database.
- WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion. Attendee will download or print earned certificates to keep for your records.
- If you have any questions, please contact the Illinois EPA Training Coordinator at 217-785-0561.
