

Continuing Education Information

Mississippi State Department of Health, Division of On-Site Wastewater, is offering 1 credit per hour for any industry related session offered at the 2017 WWETT Show (4-hour minimum required.)

Continuing Education Process:

- Attendee will submit certificates of completion to Mississippi State Department of Health as proof of attendance to receive credit hours.
 - WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
 - Attendee will download or print earned certificates and submit them to Mississippi State Department of Health along with their \$25 registration fee.
