

## Continuing Education Information

Nebraska Department of Environmental Quality – In accordance with Nebraska Administrative Code Title 197 Rules and Regulations for the Certification of Wastewater Treatment Operators, a Nebraska certified professional wastewater operator could earn a maximum of 12 continuing education hours.

### CEH Process:

- WWETT will submit your attendance to Nebraska DEQ.
- The information WWETT needs from each attendee to successfully submit training is:
  - Your NDEQ certification number (include this number when you register for the show on the personal information page in the Continuing Education section.)
  - You must also be scanned at the door of each session.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
- Attendee will download or print earned certificates and keep on file for your own records.
