11:00am-12:00pm	FR19	OSHA Confined Space, Air Monitoring and Fall Protection Untangled	1.0 hour

Continuing Education Credit Process:

- WWETT will send your attendance records to NHDES.
- The information WWETT needs from each attendee to successfully submit training is:
 - Your NH license number (include this number when you register for the show on the personal information page in the Continuing Education section.)
 - You must also be scanned at the door of each session.
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
- Attendee will download or print earned certificates and keep on file for your own records.
