

Continuing Education Information

Ohio Department of Health has approved up to twelve (12) hours of continuing education (CE) for Sewage Treatment System Contractors registering in Ohio. Also approved are two stand-alone courses being offered by PSAI and NAWT.

One-hour session approvals:

- Wednesday, February 22 – up to 6 hours
- Thursday, February 23 – up to 3 hours
- Friday, February 24 – up to 3 hours

Stand-alone course approvals:

- Thursday, February 23 – PSAI Service Training for Portable Sanitation Professionals & Certification Exam – 4.0 hours
- Friday, February 24 – NAWT One-Day Inspector Certification Course – 6.0 hours

CE Process:

- WWETT will send your attendance to Ohio Department of Health.
- Conference attendees from Ohio may apply credits for each session/course attended to the 2018 registration year to meet the requirement set forth in Ohio Administrative Code 3701-29-03 (C)(5). It is the responsibility of the sewage treatment system contractor to maintain records of CE hours earned and provide proof of the CEs to each board of health at the time of registration.
 - An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion.
 - Attendee will download or print earned certificates to use as proof of CE hours.
