

# Get noticed. Be successful at WWETT 2020.

For WWETT 2019,  
online exhibitor profiles  
received:

**12,000+**

visits in the show  
mobile app making it  
the #1 feature in the  
app.

**110,000+**

online booth profile  
page views on the  
WWETT site from June  
2018 - June 2019.

WWETT attendees are looking at the show website and mobile app for information about you -- the exhibitor. Make sure your company and product information is there for attendees to see! Easily add press releases, product information and videos to your company booth description with an **Upgraded Online Profile**.

You will receive the following:

## Online Benefits:

- Company Logo in all exhibitor search modes - by alpha, keyword, and by product category
- Company Logo on online floor plan
- Up to five Product Listings
- Up to three Company Videos
- Up to five Press Releases
- Up to three Show Specials

## WWETT Mobile App Benefits:

- Company Booth Profile highlighted on the exhibitor search
- Company Logo shown on floor plan and exhibitor listing
- Product Categories
