

Continuing Education Information

Illinois Environmental Protection Agency has approved Training Credit Hours (TCH) for drinking water related training at the 2020 WWETT Show as indicated below. *As of July 1, 2017, Drinking Water Operators are required to have at least 2/3 of their CEUs be technical courses.*

New: Wastewater Operator Certification Unit now requires CEUs for recertification. The Drinking Water Unit will no longer approve technical Wastewater courses. The approval numbers below are strictly for Drinking Water.

<u>Course # and Title</u>	<u>Course ID</u>	<u>Approved TCH</u>

WE38 - Installing a System That "Needs a Lift"	14457	1.00
WE43 - Your Website Is Your Face to the World	14458	1.00

TCH Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- Operators will report their own training credit hours. Operators should record the course ID number and course name exactly as identified above. This information is necessary when the logging your training hours into the web tracking database.
 - WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion. Attendee will download or print earned certificates to keep for your records.
- If you have any questions, please contact the Illinois EPA Training Coordinator at 217-785-0561.
