

Continuing Education Information

Kentucky Department for Public Health has approved the courses listed below for **CEUs for certified septic system installers.**

Monday, February 17, 2020

1:30pm	MO02	Outside the Box; Trenching and Excavation for Plumbers	1 CEU
1:30am	MO03	Complete Pump System Design	1 CEU
3:00pm	MO06	Creating Great Techs From the Younger Workforce	1 CEU
3:00pm	MO07	Using Technology to Keep Customers in the Loop	1 CEU
3:00pm	MO08	Why Drainfields Fail - 6 Major Issues	1 CEU
4:30pm	MO12	How to Talk the Talk for Drain Inspections	1 CEU
4:30pm	MO13	Pathogen Exposure to Workers in the Onsite Industry	1 CEU
12:00pm	WKSH	Profitability Playbook	3 CEUs

Tuesday, February 18, 2020

7:30am	TU02	Technologies for Locating Underground Pipe and Buried Objects	1 CEU
7:30am	TU05	Operations & Maintenance Friendly Design & Install of Septic Systems	1.5 CEUs
9:00am	TU07	Be a Five-Star Business by Improving Your Online Presence	1 CEU
9:30am	TU11	Advanced Troubleshooting of Onsite Systems	1.5 CEUs
1:30pm	TU18	Municipal Wastewater-Type Treatment Technology for Small Systems	1 CEU
1:30pm	TU19*	Principals of Smart Water / Wastewater	1 CEU*
3:00pm	TU23	A DIY Approach to Upgrading For Ammonia Removal	1 CEU
3:00pm	TU24*	Instrumentation, Data Quality and the Value of Information	1 CEU*
4:30pm	TU28	Turning WW Into Money - An In-Depth Exam of RNG	1 CEU
4:30pm	TU29*	A Future Vision for Smart Water / Wastewater Systems	1 CEU*

Wednesday, February 19, 2020

8:00am	WE02	Introduction to the Art of Installation	1 CEU
8:00am	WE03	Principles of Water Movement in Soil Treatment Systems	1 CEU
8:00am	WE05	Submersible WW and Effluent Pump Differences & Proper Applications	1 CEU
8:00am	WE06	Legality, Liability, Professional Ethics & Common Sense Best Practices	1 CEU
8:00am	WE08	OSHA Confined Space Entry and Air Monitoring / Overview & Refresher	1 CEU
9:30am	WE10	Soils and the Installer - What You Need to Know	1.5 CEUs
9:30am	WE11	Introduction to Key Soil Properties for Design	1.5 CEUs
9:30am	WE14	Submersible Pump Application, Design, Sizing and Servicing	1.5 CEUs
9:30am	WE15	Guide to Locating & Recording the Condition of All System Components	1.5 CEUs
12:30pm	WE19	Installing Effective Technology Components	1.5 CEUs
12:30pm	WE20	Design of Pressure Distribution	1.5 CEUs
12:30pm	WE23	Troubleshooting Floats and Onsite Septic Controls	1.5 CEUs
12:30pm	WE24	Guide to Recording Condition of Treatment Field & Components	1.5 CEUs
12:30pm	WE26	OSHA Focus Four Hazards	1.5 CEUs
2:30pm	WE29	What Are the Soils Telling Us	1 CEU
2:30pm	WE30	Systems Operation & WW Treatment Troubleshooting	1 CEU

2:30pm	WE31	The Essentials of Septic Tank Design	1 CEU
2:30pm	WE35	OSHA Trenching and Excavation Safety	1 CEU
4:00pm	WE38	Installing a System That "Needs a Lift"	1 CEU
4:00pm	WE39	Design Concerns with Restaurants, C-Stores, and Commercial Waste	1 CEU
4:00pm	WE40	Making Infiltrative Decisions During Design	1 CEU

Thursday, February 20, 2020

8:00am	TH01	Understand Your Market and Set Your Strategies - Finding Your Niche	1 CEU
8:00am	TH06*	Principals of Smart Water / Wastewater	1 CEU*
9:30am	TH11	Cracking the FOG Code for Success	1 CEU
9:30am	TH12*	Instrumentation, Data Quality and the Value of Information	1 CEU*
11:00am	TH13	Bodies Don't Lie - Reading and Portraying Body Language	1 CEU
11:00am	TH17*	A Future Vision for Smart Water / Wastewater Systems	1 CEU*

Additional Offerings with CEUs possible

Monday, Feb. 17

9:30am	NAWT	NAWT One Day Inspector Certification Course**	6 CEUs**
9:30am	NOWR	NOWRA One Day Installer Class**	6 CEUs**
9:30am	PSAI	PSAI New Service Tech Training for Portable Sanitation Professionals**	6 CEUs**

Thursday, Feb. 20

8:00am	CERT	OSHA Confined Space Entry Certification Course***	4.5 CEUs***
9:00am	TT01	Technical Tour : In The Round Dewatering Facility	1.5 CEUs
9:15am	TT02	Technical Tour: Deep Rock Tunnel Pump Station	1 CEU
11:15am	TT03	Technical Tour: Deep Rock Tunnel Pump Station	1 CEU

- In reference to Smart Water/Wastewater sessions offered on Tuesday and Thursday, as these are duplicate sessions, if a participant attends sessions both days they will ONLY receive credit for ONE day's attendance.

** The NAWT, NOWRA and PSAI Certification Courses have been approved for six (6) CEUs with the following stipulation. **These courses do not replace the required application and testing process for certification in Kentucky.** Each attendee (that chooses to become certified to install systems in Kentucky) must still make application and pass the Onsite Sewage Disposal Systems Test which is given through their local county health department in Kentucky or the Frankfort, Kentucky office.

*** The OSHA Confined Space Certification Class on Thursday is approved for 4.5 CEUs with the same stipulation listed above.

CEU Process:

- WWETT will submit your attendance to Kentucky Department for Public Health if you:
 - **Register for each session (preselect your classes) you want credit for and get scanned at the door. Register + scan = proof of attendance/receive credit.**
 - Include your certification number when you register for the show on the Continuing Education page.
 - Provide the last four digits of your social security number on a sign in sheet outside the door of your first session. (This is necessary only once – not for each session you attend.)
- An email notification will be sent approximately six weeks post show with instructions to download your certificates of completion. Attendee will keep certificates on file for your records.
