

Continuing Education Information

Kentucky Department for Public Health Protection and Safety has approved ALL Education Sessions for Registered Sanitarian/Registered Environmental Health Specialist (RS/REHS) CEUs on an hour-by-hour basis. A total of 15.5 hours were approved for the 2024 WWETT Show.

RS CEU Process:

- WWETT will send your attendance to Kentucky DPH.
- The information WWETT needs from each attendee to successfully submit training is:
 - Your license number (include this number when you register for the show in the Continuing Education section.)
 - ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- An email notification will be sent six weeks post show with instructions to download your certificates of completion for your records. *Note: RS/REHS are required to maintain 10 contact hours of Continuing Education per fiscal year.*
