<u>Continuing Education Information</u>

Wyoming Department of Environmental Quality approved ALL sessions at the 2024 WWETT Show, up to a total of 18 hours. Core and Rule hours will be adjusted when you file your credits. The approval number is **2023.1496**. Operators who wish to receive credit for attending the 2024 WWETT Show should follow the process below.

CEU Process:

- ***Attendee must be registered for each session they want credit for and scanned at the door to receive certificates of completion.***
- WWETT will send an email notification approximately six weeks post show with instructions to download certificates of completion.
- Attendee will download or print earned certificates and forward them to Wyoming DEQ.
