

Continuing Education Information

California Water Environment Association (CWEA) no longer pre-approves classes for contact hours. It is up to you as the certification holder to attend courses/trainings that are related to your vocation. You will submit your Certificates of Completion from the WWETT Show to CWEA when your re-certification is due.

Contact Hour Process:

- ***Attendee must be pre-registered for each session they want credit for and scanned at the door to receive Certificates of Completion.***
- CWEA certificate holders will report their own contact hours at the time of their re-certification.
- Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within four weeks of the conclusion of the WWETT Show.
