

Continuing Education Information

Georgia Department of Health has approved Septic Tank Contractor Continuing Education Credits for the sessions listed on the attached pages.

Continuing Education Credit Process:

- WWETT will send your attendance records to Georgia Department of Health if you do the following:
 - Pre-register for each session you would like credit for and have your badge scanned at the door. Register + scan = proof of attendance.
 - Include your certification number when you register for the show. **If you do not provide your certification number when registering, WWETT may not be able to submit your attendance for credit.**
- Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within four weeks of the conclusion of the WWETT Show.
