TCH Process:

- Attendee must be pre-registered for each session they would like credit for and have their badge scanned at the door to receive Certificates of Completion.
- Operators will report their own training credit hours. Operators should record the course ID number and course name exactly as identified in this document. This information is necessary when logging your training hours into the web tracking database.
- Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within four weeks of the conclusion of the WWETT Show.
