### **Wednesday, February 19, 2025**

WE02 - Decentralized MBRs: What Needs to be Done Differently for a Successful...	1.0 credit
WE06 - Vacuum-Assisted Foam Fractioning for PFAS Removal in Water and Wastewater	1.0 credit
WE14 - Wastewater Flows, Loads and Related Considerations	1.0 credit

### Continuing Education Credit Process:

- WWETT will send your credits to NHDES if you do the following:
  - Register for each session you would like credit for and have your badge scanned at the door. Register + scan = proof of attendance/receive credit.

- Include your NH license number when you register for the show. **If you do not provide your correct license number, WWETT will not be able to submit your attendance for credit.**
- Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within four weeks of the conclusion of the WWETT Show.
